

WALES. IRELAND. SCOTLAND. ENGLAND. FAMILY HISTORY SOCIETY

Membership Form

W.I.S.E. Family History Society is dedicated to research in Wales, Ireland, Scotland and England as well as emigration and immigration of their peoples. We do not conduct research for members. Program meetings are generally held eight times a year, usually on the fourth Saturday of the month, at the Denver Public Library. November-December is a joint meeting the first Saturday in December, and in June we usually organize a field trip. We do not meet in July and August.

Annual membership costs \$12 for an individual or \$15 for a family at one address. It includes an email subscription to the quarterly newsletter, *W.I.S.E. Words*. Those who wish to receive it via U.S. Mail pay a \$5 surcharge.
