## 1999

**W.I.S.E. Family History Society – Wales, Ireland, Scotland, England based in Denver, Colorado -- began publishing a newsletter in January 1999. Its title was W.I.S.E. Newsletter and it was a bimonthly publication of eight pages. Each issue started with page 1 and ended with page 8; there was no continuous numbering throughout the year. It lasted one year and in January 2000, the society started over, publishing a quarterly with a new format and new name, W.I.S.E. Words, as it's been known ever since.**

**Both versions, however, started with Volume 1, Issue 1. Here is the index for the six issues of the 1999 volume only. It's organized by issue and page, like this: Issue 1: 4.**

**The index for subsequent volumes follows this one starting at the “new” Volume 1 with newsletter pages numbered consecutively throughout each year. Please pardon the confusion.**

**W.I.S.E. Words has been digitized and posted in PDF form online at the WISE website, [WISE-fhs.org](http://WISE-fhs.org), starting with volume 12, 2011. These are fully searchable. This index also is posted there. All editions are bound and housed at the Denver Public Library genealogy collection or a researcher may contact Zoe Lappin for a photocopy of an article. She may be reached at [ZLappi@hotmail.com](mailto:ZLappi@hotmail.com) The society does not conduct research.**
