**W.I.S.E. Family History Society - 2024 Membership**  
[wise-fhs.org](http://wise-fhs.org)

Our W.I.S.E. Family History Society is dedicated to genealogy/family history research in Wales, Ireland, Scotland and England, as well as the emigration and immigration of their people. Program meetings are generally held nine times a year, usually on the fourth Saturday of the month. November/December is a joint meeting the first Saturday in December, and in the summer we usually organize a field trip.
