2016-2023

W.I.S.E. Words is the quarterly publication of W.I.S.E. Family History Society in Denver, Colorado. It is devoted to study and understanding of families and the cultures of Wales, Ireland, Scotland and England and their descendants. The society does not do research.

Volume numbers are in bold-face type, page numbers are in light-face type. For instance, those published in 2016 constitute volume 17 and items are indexed like this for example: Vol 17: 20. Pages are numbered consecutively throughout each volume, e.g., the issue for the first quarter ends on page 16 so the next issue begins with page 17.

W.I.S.E. Words is digitized and posted in PDF form online at the W.I.S.E. website, WISE-fhs.org. These are fully searchable. All editions are bound and housed at the Denver Public Library genealogy collection or a researcher may contact Zoe Lappin for a copy of an article. She may be reached at ZLappi@hotmail.com or LappinZoe@gmail.com
